

Personal details

E-mail: marco.piccinini@unito.it

ORCID ID: 0000-0003-2287-0704.

SCOPUS ID: 7005738901; 57220518763.

Education

Degree in Medicine

PhD in Biochemistry

Professional experiences and current position

Research fellow at the Max-Planck Institute for Biochemistry, Planegg-Martinsried (Germany)

Research fellow at the Institute of Biochemistry Humboldt University, Berlin (Germany)

Associate professor of Biochemistry, University of Torino

Teaching activity:

Chemistry and Biochemistry at the following courses:

- Corso di laurea in Fisioterapia
- Corso di laurea in Logopedia
- Corso di laurea in Ortottica ed Assistenza Oftalmologica
- Corso di Laurea in Tecniche di Laboratorio Biomedico - Cuneo
- Corso di Laurea in Tecniche di Laboratorio Biomedico - Torino
- Corso di Laurea in Terapia della Neuro e Psicomotricità dell'Età Evolutiva
- Laurea Magistrale in Medicina e Chirurgia - sede di Torino

Research main topics

- ubiquitin-proteasome pathway in cell-cycle regulation and NF- κ B signaling in normal and tumor cells.
- regulation of HER2 and HER3 function in tumor cells

Main projects as PI

EU funded TAKTIC (Translational Kinase Tumor Inhibitor Discovery Consortium)

FP7 grant #315746

Bibliometry
